

ARANZI ARONZO SHOPPING POINT PROGRAM

GUIDANCE

We used to enclose free gifts in accordance with the amount of your purchase without asking you what you wanted to receive.

With the new shopping point program, you can collect shopping points and exchange your points for gifts of your choice.

HOW TO COLLECT POINTS

= 1 point is granted for every 300yen purchase of the products.

= There is no time limit.

(You can save your points until you collect 24 points or more!)

= Your points are calculated automatically.

We will write the point balance in the delivery document.

HOW TO EXCHANGE YOUR POINTS

You can:

= exchange 24 points for a gift.

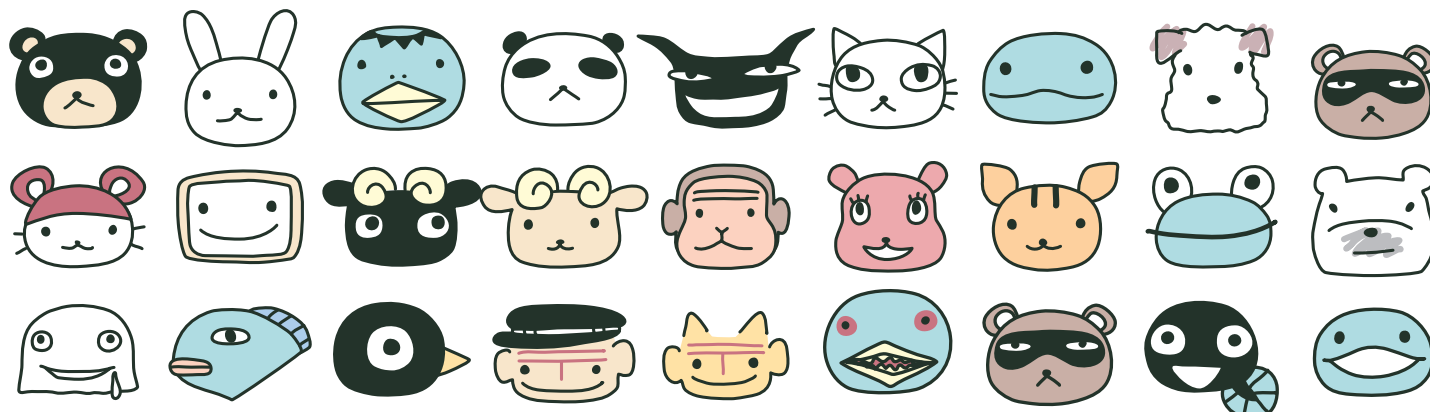

= get different gifts depending on how many points you have saved.

= only exchange your points at the same time you place a new order.

= only use points you have already collected.

Please type what gift you want in the message box when you make the order.

Otherwise you have a chance to come to ARANZI ARONZO stores in Japan, please bring the latest balance note with you. You can use the points in your account or add up points you newly earned there.

The free gifts are listed on the next page.

Thank you for checking it out.
